

Student Competition Registration

Thank you for your interest in participating in this year's student competition at Generate 2018, which will be taking place on Tuesday, November 27th. Kindly fill out this form (one per team) and return to jennifer.palfery@cleanenergybc.org by **Monday, October 15th** to register. Students who register for the poster board competition will receive complementary conference registration. An extended overview/report (approximately 500 words) of your project must be submitted via email by **Thursday, November 22nd** for the judges' preliminary review; and we ask that you set up your poster board at the conference location in the Hyatt Regency on the evening of **Monday, November 26th**.

Please feel free to contact me with any further questions. Best of luck!
